

At Strader's We Change with the Weather!

Fall is here and we have everything you need to make the most of this gorgeous season.

Hardy mums in multiple colors and have thousands to choose from, including 4", 8" and 10" porch pots and hanging baskets.

Check out our great homegrown selection of pansies, ornamental kale and cabbage. These annuals thrive in cool weather-lasting into November!

Locally sourced pumpkins, gourds, colorful squash, corn shocks, straw bales and Indian Corn are all in stock.

Don't forget Fall is for planting! Many of our trees and shrubs are on sale. It's also time to plant bulbs for Spring Color.

September is an optimal time to overseed or fertilize your lawn or lay sod if needed. Remember-don't let your lawn go to bed hungry.

As always fresh houseplants arrive weekly in all of our stores.

We can't wait to see you again!
