*Availability may vary per location. Contact your local Strader's for details.

Did You Know You Can Highlight Houseplants in Your Outdoor Planters? Instead of Sweet Potato Vine, Opt for Pothos or Philodendron!

HOUSEPLANT TIP!

Appropriate Lighting
Different houseplants need different amounts of light to grow to their fullest potential! Some plants, like ZZ plants or Snake Plants, would prefer lower indirect light, while others such as Ficus and Succulents want bright light! Giving your houseplants the appropriate lighting can make a huge difference in their growth!
