### HOUSEPLANT TIP!

Need more light? Try swapping out a standard light bulb with a grow light bulb available in both LED and incandescent varieties! Full spectrum grow lights will allow your houseplants to flourish, even during the cold a darker days of Winter!

### FoxFarm for Your Houseplant Needs!

Give your houseplants the best using FoxFarm's deluxe Happy Frog or Ocean Forest potting soils and feed them with FoxFarm's line of liquid fertilizers!

### Pottery to Match Any Decor Style!

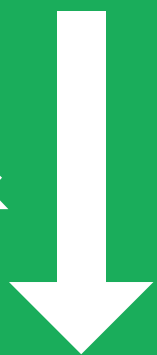

### Succulents, Cacti & Easy-Care Air Plants!
