This Week at Strader's Garden Centers:

LAST MINUTE FALL ESSENTIALS

It's Time to Fall Back This Weekend!

Sunday night, our days will get shorter, as the sun starts to set earlier in the day, staying darker longer until we Spring forward. That being said, let's take advantage of the daylight while we have it and get some stuff done outside our homes!

We have leaf rakes and lawn bags for clearing or corralling those leaves 🍂 to your compost pile or just for jumping in to have fun.

Plus, don't miss out on our great selection of Spring flowering bulbs, and now is the time to plant them. Bulbs need to chill underground all winter long in order to produce those beautiful spring flowers 🌷 so plant now to enjoy next Spring.

It is not too late to winterize your lawn. We have many fertilizer options for you including Jonathon Green, Scotts, Espoma, and Milorganite, too. Feed your lawn before it goes to sleep for winter, and it will wake up greener and healthier in the spring.

HOUSEPLANTS & POTTERY

Coming Soon...

Bring the Garden Indoors!

As we spend more time indoors, it becomes obvious we need more plants! We receive new houseplants weekly, and our selection is the best around. Strader's has all your traditional favorites plus rare and hard to find varieties, too. If you are looking for something specific, we take special requests — just call or stop in let us know what you're looking for!

Our pottery is truly on point, with options in all colors and styles to match any décor, including all sizes from tiny to giant and everything in between.

It's Beginning to Look a Lot Like Christmas...

Christmas is Coming in Just 54 Days 🎄👶

We have *almost* completely transformed our garden centers into a holiday wonderland. Strader's has the best selection of lifelike trees in all sizes, lit with clear lights, multi-lights, and big and small bulbs together. Some do tricks, while others have pinecones. Some of our trees are even flocked with snow!

Lifelike wreaths, garlands, decorator picks and sprays, indoor/outdoor shatterproof ornaments, lights, décor, and more are being displayed and set up daily. Amaryllis and paperwhite bulbs are here!

Our holiday items continue to come in, so be sure to stay tuned for new decor like holiday plants, fresh greens, and more!
