### HOUSEPLANT TIP!

**Want your plants to  
grow large, majestic  
leaves? In order to  
reach their mature  
size, many plants  
need a moss pole or  
trellis in order to  
mimic their natural  
state of climbing up  
the sides of trees! It's  
also a great way to  
conserve horizontal  
living space!**

**Easter Flowers Are Arriving Now!**
