HOUSEPLANT TIP!

Avoid Extreme Temps!
Prepare your houseplants for the colder winter months by providing them with optimal growing temperatures! Move sensitive plants out of cold windowsills, but be careful not to place them overtop heat from furnaces or radiators.

Rare Houseplants!

Coveting a certain rare plant? We take orders! Call our Blacklick location (614) 322-0715 for details
*Availability may vary per location. Contact your local Strader's for details.
